ABOUT

I am a Web Developer with four years of hands-on experience in software application development. I am enthusiastic about communication, and I firmly believe that teamwork, fun, and commitment are key to achieving successful results. I am also a trained journalist with a special motivation for the use of new technologies.

EXPERIENCE

FULL STACK WEB DEVELOPER

I Planted GmbH, Cologne, Germany

NOV 2021 - JUNE 2025

- Developed and maintained a software application using React and Nest, powered by a SQL database.
- Completed the learning certificate The Joy of React by Josh W. Comeau.
- Supported the main website at planted.green using Webflow.
- Participated in tree-planting initiatives around Cologne.
