SUMMARY

Full Stack Developer skilled in **TypeScript**, **React, Node,** and **NestJS**, with professional experience in software development since 2021. Also, as a professional journalist, I have strong skills in communications. I am passionate about sustainable development, nature conservation, politics, and ecotourism.

WORK EXPERIENCE

Full Stack Developer

I Planted GmbH, Cologne, Germany
Nov 2021 – Jun 2025

- Engineered highly responsive and dynamic user interfaces using React and Next.js, optimising component lifecycle performance and state management to ensure a seamless user experience.
- Leveraged **TypeScript** across both frontend and backend environments. Engineered scalable, secure, and production-ready **RESTful APIs** and microservices utilizing **Nest.js**.
- Handled complex database schemas and executed efficient data modelling using **Prisma ORM** coupled with a high-performance **SQL database**.
- Provided strategic cross-functional technical support for the company's corporate web presence built on **Webflow**, embedding custom **JavaScript** components and styling elements when necessary.
- Participated in **reforestation** initiatives near Cologne, which constitute the organisation's **core mission**.

Multimedia and Communications Officer

Organisation of American States (OAS), Washington, DC, USA
May 2014 – Dec 2016

- Developed strategic, political, and corporate **communications** for the Press and Communications Department.
- Produced multimedia content, including **videos** and **photography**, to support OAS initiatives.
- Supported and participated in **high-level political events**.

Communications Officer

National Theatre of Costa Rica, San José, Costa Rica
Oct 2008 – Dec 2011

- Handled corporate and strategic **communications** for the Cultural Promotion Department.
- Analyzed audience feedback to refine promotional **strategies** and improve **outreach effectiveness**.
- Developed **engaging** press releases and created **marketing** materials to boost visibility of events, exhibitions, and activities.
